5•	During negotiations with Strojexport the following personalities were encountered:	25X1
	Eng. Miroslav Piroch - Director Homola (fnu) Technical Engineer Jana Simankova Technical Engineer Dr. Seidel (fnu) Deals with trade agreements.	
	The following were away on holiday at the time:	
	Sacha (fnu) General Director Seifert (fnu) Deputy Director Mizera (fnu) Deputy Director	
6.	The negotiations with the officials of Strojexport were carried out in a most friendly atmosphere, but the officials were unable to arrange visits to factories other than those included in the prearranged program. There were no bottlenecks in the factories visited, and the information given, although carefully cross-checked, appeared to be accurate.
